

NATS PORTAL

NATS

The National Apprenticeship Training Scheme (NATS) is implemented as a one year programme to provide apprenticeship training to the technically qualified fresh Engineering Graduates/Technician apprentices under the provisions of the Apprentices Act, 1961 amended in 1973 that helps them gain practical knowledge and skills required in their respective field of work. The Apprentices are imparted training by the Establishments at their place of work through trained managers and well designed training curriculum.
